Our Mission

disABILITY LINK is an organization led by and for people with disabilities and promotes choice and full participation in community life.

Peer Led

We are unique because we are an organization that is comprised of people with disabilities. More than 51% of our management, staff and board must be people with disabilities. Over 90% of our staff are people with disabilities.

Cross Disability

disABILITY LINK is an organization that provides support to people of all disability backgrounds. We work towards and support individuals with disabilities to tackle barriers that impact their lives. We strive to empower people to enhance their lives and their own choices in the way they live in the community.

disABILITY LINK services are available to persons with disabilities, their families and communities throughout Metro Atlanta and surrounding counties including Cherokee, Clayton, Cobb, Coweta, Dekalb, Douglas, Fayette, Fulton, Gwinnet, Henry, Newton, and Rockdale Counties.

Individuals needing reasonable accommodations should contact our office at least (3) business days prior to the event so that arrangements can be made.

The Core of What We Do

Centers for Independent Living offer five core services, these are the essential services to increase independence and community engagement.

Independent Living Skills

Whether it's developing a budget, finding employment, becoming a volunteer, learning to use mass transit or any other personal goal, we offer individualized trainings that enhances or maintains a person's independence.

Advocacy

It is important to make your voice heard and create the change you want to see.

We offer services for personal and systems advocacy.

Transition

We support people to live in the communities of their choice, whether it's moving from an institution, your parent's house or transitioning from school to adulthood. In addition, we have many programs that revolve around young adults, parents with disabilities, and parents with children who have a disability.

Peer Counseling

The support of a peer is both powerful and meaningful, we incorporate peer support in all of our services.

Information and Referral

We maintain a database of local resources that range from housing to legal assistance. Call, e-mail or visit our office for more information.

Additional Independent Living Services

We offer additional services that depend on partnerships with the community and funding availability.

For more information on all of our programs listed here and those not listed, please visit our webpage at

Employment

We are a Georgia Vocational Rehabilitation contractor as well as Ticket to Work Employment Network. In addition, we offer our weekly Locating Employment Avenues with Peer Support (LEAPS) program and other employment skill trainings.

Assistive Technology

Through a mix of one-on-one and group trainings we can help you find technology to increase your independence.

Independent Care Waiver

Service Coordination

We offer service coordination for those that receive the Independent Care Waiver.

Health and Wellness

We offer a variety of classes and services to increase your well-being in a manner that works for you.

Computer Lab

Whether you need to brush up on your computer skills, find a job or just surf the internet, we have a computer lab that is open for consumer use. Call our office for more information.
